

VISIT TO SKINNERS COMPANY
AEA CHATHAM BRANCH
MONDAY 18 APRIL 1200 NOON

1. **Aim** - The Chairman has kindly offered members to visit Skinners Hall where he is willing to sponsor them and their guests on a show round of the Hall and its history.
2. **Times** - If members could please plan to be at the Hall by 12 noon on Monday the 18th it will allow 1 hour and 15minutes for the tour. This will allow us then 10 minutes to walk to the Salvation Army Headquarters for a lunch.
3. **Feeding** – As mentioned, at the Sally Anne a choice of meals from Soup and a Roll to more substantive food is available at reasonable prices. There are other Hostelryes (Pubs) and posh restaurants around if you wish to partake.
4. **Transport** – Skinners’ Hall is a 30 second walk for the Chairman from the entrance of Cannon Street station (both main line and underground) see map. Regular trains run from the Medway area to Cannon street. Unfortunately from Maidstone it is not easy without having to change. The best route is to go to Victoria and underground to Cannon street. Nick will await outside the station to direct anyone who is unsure of the way
5. **Dress** – Please dress comfortably as you will have travelled a distance and you may have been on your feet for a while. I shall not wear you out when we walk round the hall and there will be seating arrangements as necessary.
6. **Payments** – No charges for the Hall and Tour apart from your travel costs and food at lunch.
7. **Confirmation** – Can you please let the secretary know so he can calculate numbers attending. Phone Nick on 07920 144064 or email on n.d.gibson@blueyonder.co.uk
