

Airborne Engineers Association

To receive information and correspondence from the Airborne Engineers Association Charity Number 1009201.

In order to comply with the new EU General Protection Regulation (GDPR), we need to have your consent to hold your personal data and continue to communicate with you by post, email or phone.

You may wish to have **all** or **some** of your details entered onto the database or not to have any of your details recorded at all. Please make your options known on this form. Remember if the association does not have any contact details then you cannot receive any information or correspondence.

The Airborne Engineers Association (including its associated branches) currently hold members details such as Name, Address, Phone Numbers, Email Address (not all members) and wife/partners name (not all members). This form is to be used when confirming your acceptance to either the Data Protection Officer of the Airborne Engineers Association or the nominated officer e.g. Secretary in a branch.

If you are satisfied with the information that we hold for you and that it will remain confidential for the use of the Association and that your information will not be distributed to anyone without your permission you can either return the form below to the association secretary or, email or give your permission at a branch meeting that you are satisfied with the holding of your details. If you do not reply we could assume you do not wish to be included in the database and you will be removed from it and will not receive any further correspondence. You can of course WITHDRAW / CHANGE OF YOUR CONSENT at any time in the future.

Enter below your details you wish the AEA to hold, and confirm Yes or No as appropriate.
